**CITY OF MIRAMAR
MIRAMAR, FLORIDA**

RESOLUTION NO. 21-42

**A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF
MIRAMAR, FLORIDA, URGING THE UNITED STATES CONGRESS TO
ENACT THE ENERGY INNOVATION AND CARBON DIVIDEND ACT OF
2019; AND PROVIDING FOR AN EFFECTIVE DATE.**

WHEREAS, an Intergovernmental Panel on Climate Change issued a special report on the impacts of global warming of 1.5 °C above pre-industrial levels in October 2018, warning that global warming is likely to reach 1.5°C between 2030 and 2052 if it continues to increase at the current rate; and

WHEREAS, the United Nations climate science body said in a monumental climate report that we have only 12 years left to make massive and unprecedented changes to global energy infrastructure to limit global warming to moderate levels; and

WHEREAS, the United States government released its Fourth Annual Climate Assessment in November 2018, reporting that the impacts of climate change are already being felt in communities across the country, and that more frequent and intense extreme weather and climate-related events, as well as changes in average climate conditions, are expected to continue to damage infrastructure, ecosystems, and social systems that provide essential benefits to communities; and

WHEREAS, conservative estimates by the world's climate scientists state that to achieve climate stabilization and avoid cataclysmic climate change, emissions of greenhouse gases (GHGs) must be brought to 80-95% below 1990 levels by 2050; and

Reso No. 21-42

11/10/20

WHEREAS, presently the environmental, health, and social costs of carbon emissions are not included in prices paid for fossil fuels, but rather these externalized costs are borne directly and indirectly by all Americans and global citizens; and

WHEREAS, to begin to correct this market failure, Congress can enact the Energy Innovation and Carbon Dividend Act to assess a national carbon fee on fossil fuels based on the amount of CO₂ the fuel will emit when burned and allocate the collected proceeds to all U.S. Households in equal shares in the form of a monthly dividend; and

WHEREAS, for efficient administration, the fossil fuels fee can be applied once, as far upstream in the economy as practical, or at the port of entry into the United States; and

WHEREAS, as stated in the **Energy Innovation and Carbon Dividend Act of 2019, H.R. 763**, a national, revenue-neutral carbon fee starting at a relatively low rate of \$15 per ton of CO₂ equivalent emissions and resulting in equal charges per ton of CO₂ equivalent emissions potential in each type of fuel or greenhouse gas should be assessed to begin to lower what are now dangerously high CO₂ emissions. The yearly increase in carbon fees including other greenhouse gases, shall be at least \$10 per ton of CO₂ equivalent each year, with the Department of Energy determining whether an increase larger than \$10 per ton per year is needed to achieve program goals; and

11/10/20

WHEREAS, the **Energy Innovation and Carbon Dividend Act of 2019, H.R. 763**, specifies that, in order to protect low and middle income citizens from the economic impact of rising prices due to the carbon fee, equal monthly per-person dividend payments shall be made to all American households (½ payment per child under 19 years old) each month from the fossil fuel fees collected. The total value of all monthly dividend payments shall represent 100% of the net carbon fees collected per month; and

WHEREAS, the **Energy Innovation and Carbon Dividend Act of 2019, H.R. 763**, encourages market-driven innovation of clean energy technologies and market efficiencies which will reduce harmful pollution and leave a healthier, more stable, and more prosperous nation for future generations; and

WHEREAS, the **Energy Innovation and Carbon Dividend Act of 2019, H.R. 763**, will, after 12 years, lead to a decrease in America's CO2 emissions of 40 percent and an increase in national employment of 2.1 million jobs; and

WHEREAS, border adjustments - carbon content-based tariffs on products imported from countries without comparable carbon pricing, and refunds to our exporters of carbon fees paid - can maintain the competitiveness of U.S. businesses in global markets; and

Temp. Reso. No. 7308
11/2/20
11/10/20

WHEREAS, a national carbon fee can be implemented quickly and efficiently, and will respond to the urgency of the climate crisis because the federal government already has in place mechanisms, such as the Internal Revenue Service, needed to implement and enforce the fee, and already collects fees from fossil fuel producers and importers; and

WHEREAS, A national revenue-neutral carbon fee would make the United States a leader in mitigating climate change and in the clean energy technologies of the 21st century and would provide incentive to other countries to enact similar carbon fees, reducing global CO2 emissions without the need for complex international agreements, and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF MIRAMAR, FLORIDA AS FOLLOWS:

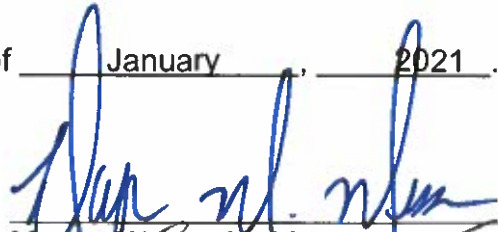

Section 1. The above "Whereas" clauses are hereby incorporated herein.

Section 2. That the City Manager or City Clerk, no later than 30 days after passage of this Resolution, shall transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, to the Majority Leader of the Senate, to each U.S. Senator and Representative from the State of Florida in the Congress of the United States, and to nearby city and county governments urging that they pass similar resolutions.

Temp. Reso. No. 7308
11/2/20
11/10/20

Section 3. This Resolution shall become effective immediately upon its adoption.

PASSED AND ADOPTED this 27 day of January, 2021.

Mayor, Wayne M. Messam

Vice Mayor, Maxwell B. Chambers

ATTEST:

City Clerk, Denise A. Gibbs

I HEREBY CERTIFY that I have approved
this RESOLUTION as to form:

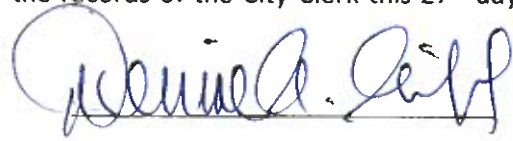

City Attorney,
Austin Pamies Norris Weeks Powell, PLLC

<u>Requested by Mayor Messam</u>	<u>Voted</u>
Commissioner Winston F. Barnes	Yes
Vice Mayor Maxwell B. Chambers	Yes
Commissioner Yvette Colbourne	Yes
Commissioner Alexandra P. Davis	Yes
Mayor Wayne M. Messam	Yes

Certificate of Filing for a Resolution

CERTIFICATE OF FILING

I, Denise A. Gibbs, as City Clerk of the City of Miramar, a Florida Municipal Corporation, hereby certify that this fully executed Resolution No. 21-42 was filed in the records of the City Clerk this 27th day of January, 2021.

A handwritten signature in blue ink, appearing to read "Denise A. Gibbs", written over a horizontal line.

Print Name: Denise A. Gibbs
